HOW the CFC Works for Donors

1. Choose your cause

Whether you care about youth development, military families, housing and shelter, or animal welfare—the CFC has a charity for any cause you want to support. You can even give to multiple charities with one pledge.

2. Make your pledge

The online pledge portal at [opm.gov/ShowSomeLoveCFC](http://opm.gov/ShowSomeLoveCFC) allows you to easily renew your pledge each year and offers the full range of pledge options:

- Payroll deduction
- Credit/debit card
- E-check
- Volunteer hours

Paper pledge forms are also available upon request.

3. Help is on the way

Thanks to your generosity, your chosen charities will make a difference in your local community, across the nation, and around the world.

Choose your cause and Show Some Love today.

Why we support the Combined Federal Campaign….

Randomly watching TV one morning we saw the adopt a pet segment and fell in love with a toy Pomeranian. We found out that he was about 8 years old and his owner had passed away. That day after jumping through some hoops we adopted Koolaid.

Since dogs were not allowed in our apartment, we needed to get a letter from my daughter’s counselor that supported Koolaid being her emotional support dog. I had no idea what the signs of depression and anxiety were in my daughter, and up to this point, I honestly thought “emotional support” animals were simply pets. Little did either one of us know how much of a support Koolaid would become.

Mental health has been a subject not many talks about in our society. It’s through several personal experiences that I have become so vocal about bringing awareness to this topic. My daughter’s anxiety would cause her extreme stress, lead to her missing work, and disrupted her daily life. I cannot tell you how many tears I saw my daughter shed, it was heartbreaking. Then along came Koolaid! He was such a loving animal. He would lay in front of the door waiting for my daughter to come home from work. Koolaid provided comfort that would ease my daughter’s anxiety, and provided her unconditional love that eased her stress. Koolaid has since passed but continues to be a support in our lives as we remember all the joy he brought to my daughter and our family. I am passionate about the CFC for many reasons, and am grateful for the opportunity to give back through it, as many of the charities have had a direct impact on my life.

My causes are Mental Health and Animal Welfare.

Jennifer Ward
National Weather Service
2019 LFCC Chair

There is a loss in life that many of us will all experience the loss of a parent. Having lost both of my parents, I have great appreciation for the support hospice provides to both the dying, and those they leave behind.

My dad (2006) received his final wish thanks to hospice. My dad had gone to the ER feeling very sick, little did we know he would only live for one week after this visit. The blood result showed leukemia. The ER doctor arranged for hospice to come to my parents’ home the next morning. Because of Hospice, dad was able to be at home his final week – which is all he wanted, simply to die at home. What a gift hospice was for our family!

My mom (2016) also utilized Hospice’s services. Mom was suffering from the later stages of Alzheimer. It got to the point where talking with her, understand her needs, or simply helping her to take her med was difficult at best. Alzheimer’s shows no grace. A Hospice nurse visited my mom every two days or more if needed, and she was awesome, a living angel! The hospice nurse treated my mom with the utmost care and concern. When Mom struggled to get her words out, the nurse was able to help her to get her needs across. My mom was always treated with dignity, respect, and love. In the end she even got to have ice-cream and strawberries for breakfast, lunch and dinner if she wanted!

My causes are Hospice and Alzheimer Research.

COMBINED FEDERAL CAMPAIGN (CFC)

What is the Combined Federal Campaign (CFC)?
The Combined Federal Campaign (CFC) is the only authorized solicitation of all federal employees in their workplaces, retired members of the military and retired civilians on behalf of approved charitable organizations.

What is the mission of the CFC?
The CFC mission is to support and promote philanthropy through a voluntary program that is employee-focused, cost-efficient, and effective in providing all federal employees the opportunity to improve the quality of life for all.

When did the CFC begin?
The Federal Government created the CFC in 1961 to coordinate the fund-raising efforts of various charitable organizations. CFC solicits once-a-year contributions in the workplace and provides employees, retirees, and others the opportunity to make one-time or recurring charitable contributions through payroll deduction or other means.

Federal employee giving makes CFC one of the largest and most successful workplace philanthropic fundraisers in the world. Continuing a long-standing tradition, in the 2018 campaign year, federal employees pledged more than $93 million to charitable causes. The pledge total includes almost $90.5 million in financial pledges and the monetary value of $2.7 million in commitments of volunteer time.

Since its inception, federal employees have contributed more than $8.3 billion to charities throughout the world.

What is the structure of the CFC?
There are 36 campaign Zones in the CFC. Each Zone organizes the annual fund-raising effort in the local federal workplaces in that jurisdiction or overseas. The Office of Personnel Management (OPM) regulates the CFC and provides guidance and oversight to the local campaigns.

A Local Federal Coordinating Committee (LFCC) oversees the CFC in each Zone for OPM. The LFCC members serve as a “Board of Directors.” Federal employees, retirees, and representatives of Federal labor unions can make up the membership of the LFCC. The LFCC ensures that campaign workers conduct the CFC according to Federal regulations and policies. The LFCC also makes application decisions on local charities.

The LFCC also supervises the local Outreach Coordinator (OC). That contractor is a qualified small business hired by OPM to administer the CFC in the local Zone. The LFCC uses the OC to implement the campaign plan, conduct marketing activities, arrange for special events such as Charity Fairs, and educate charities and employees regarding the program.

OPM also contracts with a charity to serve as the Central Campaign Administrator (CCA). Currently, that organization is The Give Back Foundation. The CCA is the organization responsible for developing and maintaining the CFC Online Donation System (www.opm.gov/showsome lov e/caf f). This site allows:

- The ability of all charities (local, national and international) to submit annual applications to CFC;
- The ability for charities to track pledges and payments; and
- The ability for campaign workers to track campaign progress with daily updates of pledges.

Both sites are smartphone friendly.

How does CFC use innovative technology?
CFC leverages state-of-the-art technology through:

- One common online portal for federal employees, retirees and contractors to use when giving to charity through CFC (www.opm.gov/showsome lov e/caf f). This site allows:
  - The ability to make multiple types of online gifts (payroll deduction, credit, debit, and checks);
  - The ability of federal employees to search for charities and pledge hours of volunteer time; and
  - The ability of federal annuitants and military retirees to donate via a deduction from their retirement pay.
- One common application site for all charities (cfcharities.opm.gov). This site allows:
  - The ability of all charities (local, national and international) to submit annual applications to CFC;
- The ability for charities to track pledges and payments; and
- The ability for campaign workers to track campaign progress with daily updates of pledges.

Every year, OPM makes final application decisions for all local, national, and international charity applicants and resolves charity admission appeals. OPM and federal contract rules set strict requirements and provide ongoing guidance for the activities and conduct of the CCA and the OCs. OPM verifies the fiscal integrity of the campaign annually through compliance and financial audits completed by the CCA, an independent CPA or the OPM Inspector General.

What is the CFC Charity List?
The Charity List is a web-based and paper display of local, national, and international organizations that have met CFC eligibility requirements. Key features include the organization’s five-digit CFC code, IRS Business Master File name (shown in parentheses if it is “doing business as” another name), a 25-word statement of purpose, and its administrative and fund-raising expense rate (AFR).

Sample Charity Listing

11405 ABC Charity (Alpha-Charity) (800) 555-5555 www.abccharity.org EIN#123456789 ABC Charity attacks the causes of hunger and poverty by promoting effective and innovative community-based solutions that create self-reliance, economic justice, and food security. 15.8%

What factors should I consider when choosing a charity?
Follow your heart and your head when selecting a charity. The EIN, AFR, and the Service Categories are included to help you identify organizations that meet your interests and performance standards.

The Internal Revenue Service (IRS) issues the Employer Identification Number (EIN). You can use the EIN to obtain additional information about an organization from the IRS (877-829-5500) or other sources such as the Better Business Bureau, Charity Navigator, Guidestar, or other charity rating organizations. Please Note: You may find an organization’s tax-exempt status is under an umbrella organization (such as a parent organization or headquarters).

The Administrative and Fund-raising Rate (AFR) represents the percentage of dollars spent on expenses other than services. The CFC calculates the AFR as a percentage of the organization’s total support and revenue. If you have questions about an AFR ratio, contact the organization for a complete explanation. You also may ask to review its IRS Form 990, which is available to the public and often posted on the organization’s website. Each situation is unique.

In addition to contacting the charity directly, you may look up data tracked by industry oversight organizations to understand better the financial status, service delivery record, and governance policies of the charity before donating.

The Service Categories (Taxonomy Codes) categorize the types of services that most charitable organizations offer. Charities self-select up to three alpha-codes (shown below) for inclusion in the CFC Charity list. CFC assigns the category “Z” (Other) to charities that did not select at least one category.

The National Taxonomy of Exempt Entities (NTEE) classification system provides 26 top-level categories for charity services. This system, developed by the Johns Hopkins University National Center for Charitable Statistics, is widely used in the non-profit community.

Service Categories (Taxonomy)

- A. Arts, Culture, and Humanities
- B. Education
- C. Environment
- D. Animal Related
- E. Health Care
- F. Mental Health & Crisis Intervention
- G. Voluntary Health Associations & Medical Disciplines
- H. Medical Research
- I. Crime & Legal Related
- J. Employment
- K. Food, Agriculture & Nutrition
- L. Housing & Shelter
- M. Public Safety, Disaster Preparedness & Relief
- N. Recreation & Sports
- O. Youth Development
- P. Human Services
- Q. International, Foreign Affairs & National Security
- R. Civil Rights, Social Action & Advocacy
- S. Community Improvement & Capacity Building
- T. Philanthropy, Volunteerism & Grant Making Foundations
- U. Science & Technology
- V. Social Science
- W. Public & Societal Benefit
- X. Religion-Related
- Y. Mutual & Membership Benefit
- Z. Unknown

For additional guidance on selecting charities, visit the CFC website at http://www.opm.gov/cfc.
Can I give to a participating CFC charity not listed in my local CFC charity Zone?
Yes. You may pledge to any of the charities approved to participate in any CFC Zone for 2019. The CFC refers to giving to a local charity in a different Zone as “CFC All-Around Giving.” You can search through an online list by visiting the OPM Online Donation System (www.opm.gov/showsomelove/cfc). The complete CFC All-Around Giving list is available electronically. You can make your pledge by entering the five-digit code in your online gift or on your paper pledge form.

Do I have to give through the CFC?
No. Participation in the CFC is strictly voluntary. CFC regulations forbid any coerced donations. You have the right to make your charitable choices independently. Rules prohibit any outside party from improperly influencing your decision to give or not to give through the CFC. Prohibited practices include, but are not limited to: supervisors soliciting the employees they supervise; setting 100 percent participation goals; providing and using lists of contributors for purposes other than the regular collection of contributions; establishing personal dollar goals and quotas; and developing and using lists to identify non-contributing employees. If you prefer, you may donate to the CFC anonymously by placing your private gift in a sealed standard envelope.

Civilian employees may register complaints about coercion with the LFCC and contact their personnel offices; military or civilian personnel in the Department of Defense (DoD) should contact the LFCC or their commanding officers. If you feel that the local committee did not resolve the issue satisfactorily, military personnel may also contact the DoD Washington Headquarters Services at (703) 697-7971.

Can I specify which organization will receive my contribution?
Yes. The CFC actually requires you to designate to one or more charities. By designating the five-digit code of the charity or charities of your choice, you ensure that your donation goes to meet the needs that you feel are most important. Designate the organization(s) of your choice when completing your online pledge or where indicated on your paper pledge form by entering the five-digit code and the amount you wish to pledge. You can designate up to seven charities on a paper pledge form and submit additional designations on a second (or third) pledge form if necessary. Except for the potential of a distribution fee to help with the operational costs of the CFC, the CCA distributes all contributions as designated. There is no limit to:
- The number of contributions that an organization may receive through the CFC;
- The amount of contributions that an organization may receive through the CFC;
- The pledging of more than one charity at one time.

To give to more organizations than allowed on one paper pledge form, complete additional pledge forms, and staple them together. The top pledge form must contain the sum of all pledges. You cannot designate to an organization that OPM did not approve for participation in the 2019 CFC. You cannot add organizations that do not appear in your local CFC Charity List or the “CFC All-Around Giving Search Tool” at www.opm.gov/showsomelove/cfc. Regulations prohibit and the CFC will not accept designations to charities not approved for this campaign year.

How do I pledge through the CFC?
Visit the CFC Pledge System at www.opm.gov/ShowSomeLoveCFC to create an account and pledge to the charities of your choice. You also can use a paper form for the next three years.

Do I have to set up an account to make an online pledge?
Yes. If you are a new user, the system will prompt you to enter your email address and to select a password. You can use either a government or personal email for this account. Accessing your account will allow you to print documents at tax time and watch your pledge as the CCA distributes it to your charities throughout the year. Returning users will be able to access their previous year’s pledge data via their account, making it easy to renew your pledge from year to year.

When will CFC start to deduct my contribution from my payroll?

As a federal employee, what payment methods can I use to pledge to the CFC?
You can use payroll deduction to fund recurring donations from your salary. ACH, credit and debit card pledges can support both one-time and recurring donations. Visit the CFC Pledge System at www.opm.gov/ShowSomeLoveCFC to create an account and pledge to the charities of your choice.

Does CFC take the funds from my pay on a pre-tax or after-tax basis?
While tax deductible, CFC deductions are not pre-tax. Federal law does not allow for charitable donations through payroll deduction (CFC or any other payroll deduction program) to be pre-tax. If you are eligible to itemize charitable contributions on your income tax returns, you may include contributions made through the CFC. You should contact a tax advisor for more information.

Can I make a one-time gift via credit/debit card?
Yes, you can fund your pledge with a direct debit from your bank account (ACH) or via a credit/debit card. Please note that the CCA processes one-time gifts at the time you make your pledge. Can I set up a recurring credit/debit card pledge?
Yes. The CCA processes recurring giving monthly, starting in the month after the official solicitation period ends.

How do I find a charity?
You can either use the printed charity listing for your Zone or the online charity search. If using the printed list, you can browse the pages organized according to local, national and international categories. Sections are broken into a random order of federations and independent charities within those categories. If you are searching online, select the “Find a CFC Approved Charity” button or click on the magnifying glass icon. You do not have to log in to an account to search online and you will be able to search for charities a variety of ways (e.g., name, EIN, category, location, CFC Zone, fundraising rate, volunteer time).

How many charities can I support?
There is no limit to the number of charities you can support.

Is there a limit to how much I can pledge?
If electing payroll as the funding source for your pledge, your payroll service provider may limit the annual maximum contribution. For example, the Defense Joint Military System (DjM) has a limit of $9,999 which affects all active duty members of the Army, Navy, and Air Force. If selecting credit/debit card, or ACH/bank account, the maximum online contribution is $99,999. If wishing to donate an additional amount, please contact OPM for instructions. There may be additional limits to the tax-deductibility of your gift. OPM advises you to consult your tax advisor on this topic. The minimum amount for each designation is $1 per charity per pay period.

What are Federations and Independent organizations?
Federations are charitable organizations that provide common fund-raising, administrative, and management services to its member organizations. Member organizations may pay dues or fees to that federation as a service charge. Federations must charge those dues or fees to charities. They cannot merely deduct those amounts from CFC pledges before disbursement to member charities.
Independent organizations are not members of a federation and participate in the CFC on their own. For additional information on a particular federation and any dues/fees charged to its members, either contact the federation or its members or review the federation’s annual report.

How do I designate a federation, or one of its members, to receive my contribution?
If you wish to designate all or some portion of your contribution to a federation, please record the affiliation of your choice. The affiliation name is at the top of the list of the federation’s member organizations. If you designate all or some portion of your contribution to an affiliated federation member organization, please record the affiliate organization’s corresponding five-digit code number on your pledge form.

How do I designate an independent organization to receive my contribution?
You may designate to an independent organization not affiliated with a federation by entering that organization’s five-digit code number on your pledge form.
What happens if I do not specify an organization or federation to receive my pledge?
You must designate all funds contributed to through the CFC to a specific organization or federation. The CFC does not collect undesignated pledges.

What happens if a charity goes out of business before it gets all funds?
The CFC disburses designed funds to specified charities until we find that the organization is unable to accept any further funds due to closure, loss of tax-exempt status, or other reasons. If needed, the CCA will contact you to see how to disburse remaining funds.

What is the payroll deduction option?
Payroll deduction makes it convenient for you to give by spreading your contribution across the entire year. Last year, federal employees pledged more than 90 percent of all CFC funds through payroll deduction. Payments on payroll deduction pledges begin on the first pay period beginning after January 15, 2020, and conclude with the last pay period, which includes January 2021. There is no more straightforward way for you to make a difference than to contribute using payroll deduction. Payroll deduction helps you care for your community and your world.

Will I receive a receipt for my contribution?
You should print a copy of your online receipt or make a copy of your paper pledge form in addition to keeping your final Leave and Earning Statement (if you made a payroll deduction contribution), as a receipt of your pledge. A federal employee who makes a one-time (cash, check, or money order) contribution must maintain a bank record and a copy of the pledge form to show the name of the organizations contributed to, the date of the gift, and the amount of the contribution. You should consult a tax adviser to determine if the IRS requires any additional verification of the donation.

What are the costs of the campaign?
The distribution fee charged to charities that earned in the 2018 campaign year was 19 percent. The CFC used these funds to develop and operate the online systems, to print materials, train volunteers, audit contributions, and other administrative duties. The LFCF governing the local campaign reviews and approves all local campaign costs. OPM recovers the costs of marketing and outreach, training, distribution, traveling, and all CCA and Outreach Coordinator expenses through application fees, listing fees and distribution fees paid by charitable organizations.

How is the fee structure determined?
The Director of OPM determines the fee structure annually based on the estimated costs of administering the central campaign and local marketing efforts. OPM announces the application and listing fee structure in the fall before the application period opening. OPM will roll over any excess funds from fees to the following campaign. OPM considers that balance when setting the Application and Listing Fees for the next campaign.

The CFC shall not reimburse any expenses for food or entertainment to the Outreach Coordinator for CFC events. However, the LFCF shall reimburse the Outreach Coordinator for travel-related costs in accordance with the Federal Travel Regulations.

When does the CFC recover the fees?
Charity application fees are due at the time of the filing of the application or by the application deadline, whichever occurs last. OPM will not consider a charity application if the organization did not pay the application fee for that campaign year.

CFC regulations require the additional listing fee from all charities approved to participate in the campaign. Listing Fees allow OPM to include these charities on paper or electronic Charity Lists. The Central Campaign Administrator will not process pledges to any charity that does not submit the listing fee before the annual deadline set by OPM.

Finally, OPM may assess a distribution fee against pledges received should the application and listing fees not cover the costs of the campaign.

What is online pledging or e-giving?
E-giving, in general terms, provides you with the additional pledging tools of the searchable charity list and pledge form available “on-line” via the internet or your workplace intranet.

OPM introduced a national CFC Online Donation System accessible to all employees at work, at home, or via mobile-friendly websites viewable on smartphones and tablets. This system (www.opm.gov/showsomelovecfc) replaced any former systems in use for the 2017 campaign year. This paperless process is one way CFC is striving to “go green” and reduce administrative costs related to the processing of pledges.

Can I still give to an organization if I cannot find the CFC code I used last year?
No. Federal employees may not designate to any charity code not approved in the 2019 database.

Although CFC codes typically do not change from year to year, you may need to find the new code for the organization. When searching, try using the organization’s Employer Identification Number (EIN), or their name. If you are still having trouble finding the organization, please verify with the organization that OPM approved its application for the 2019 CFC and, if so, their new CFC code.

Does CFC allow me to pledge volunteer time instead of money?
Yes. Executive Order 13743 allows federal civilian employees and members of the uniformed services to make pledges of volunteer time through the CFC in addition to financial contributions. The 2019 CFC is the third time that CFC allows you to pledge volunteer time to your favorite approved charities. Visit the CFC Pledge System at www.opm.gov/ShowSomeLoveCFC to search for charities that offer volunteer opportunities and pledge time.

How do I pledge volunteer hours?
You can pledge volunteer hours when completing your pledge. The charity listing, both in print and electronic formats, identifies charities that are participating in soliciting volunteer time from federal employees. You can search for the charities that offer volunteer opportunities. Please indicate the number of hours you would like to pledge to the charities of your choice. Visit the CFC Pledge System at www.opm.gov/ShowSomeLoveCFC to search for charities that offer volunteer opportunities and pledge time.

What if I pledge volunteer hours but do not perform the hours?
The CFC expects you to honor pledges of both financial and volunteer time; however, you can cancel your pledges at any time if your situation changes.

Does the government insure me from loss or bodily injury while volunteering?
No. You will complete most volunteer work on personal time. In the limited cases where you pledged volunteer time to charities and are using administrative leave to fulfill the obligation, please refer to your department or agency policies. If you are not using administrative leave, your employer’s compensation does not cover you if injured while doing volunteer work.

Am I representing my Federal department or agency when volunteering with a charity?
Volunteers fulfilling volunteer time via the CFC program are not official Government business. If you pledge volunteer time and use administrative leave to fulfill the obligation, please refer to your agency policies and guidelines.

How does the charity contact people who pledged volunteer hours?
When you pledge monetary or volunteer donations, you have the option to share your contact information. If you answer “yes” and share that personal information, then the charity will receive that to contact you. CFC allows charities receiving the contact information to call or write to you directly. In a typical campaign year, about 10 percent of federal contributors release their data to the charities they support. Many federal contributors consider the ability to give anonymously as one of the benefits of giving through the CFC. Keep in mind, if you pledge to volunteer and do not answer “yes” to release your information, the charity will have no means to reach out and contact you. It will be up to you to initiate your volunteer pledge time with your charity of choice.

How do I get a tax receipt?
To obtain copies of tax receipts for your 2017 or 2018 contributions, log in to your account at opm.gov/ShowSomeLoveCFC. Navigate to https://cfcgiving.opm.gov/atax. There you can choose a donation year and print a copy of your tax receipt or your pledge. If you used a paper pledge form, call the CFC Help Desk to obtain a tax receipt. (Note: According to IRS guidelines, donors are responsible for obtaining a written acknowledgment from a charity for any single contribution of $250 or more before the donors can claim a charitable contribution on their federal income tax returns.)

How do I cancel my CFC payroll deduction?
You can cancel your CFC payroll deductions at any time. Cancellation is the only change permitted to your pledge outside the official solicitation period. If you cancel your pledge during the official solicitation period, you cannot submit a new pledge until the next Open Season. From the “Your Pledge” screen, select and click on “Cancel Balance” at the top right. The Pledge System will ask you to confirm your intention to cancel the pledge. Select and click “Yes, cancel pledge” to continue. The online donation system will confirm “Cancellation” at the top of the “Your Pledge” screen. If you submit a paper pledge form, contact the CFC Help Desk at The Give Back Foundation to cancel your pledge.

Note: If you change federal jobs, you may transfer your pledge to the new organization or federation. The CFC does not collect undesignated pledges.

When you pledge monetary or volunteer donations, you have the option to share your contact information. If you answer “yes” and share that personal information, then the charity will receive that to contact you. CFC allows charities receiving the contact information to call or write to you directly. In a typical campaign year, about 10 percent of federal contributors release their data to the charities they support. Many federal contributors consider the ability to give anonymously as one of the benefits of giving through the CFC. Keep in mind, if you pledge to volunteer and do not answer “yes” to release your information, the charity will have no means to reach out and contact you. It will be up to you to initiate your volunteer pledge time with your charity of choice.
